

PRIVACY & DECORATIVE FILM

Travis – Frosted 45mm Square on Clear

DE-TRAV-iSR

Opalux® Travis patterned film gives architects, designers and specifiers fresh scope for decorating and enhancing glass in partitioning and interior projects in all types of office, commercial, retail and residential buildings.

The Travis patterned film is typically used in glazed screens in reception areas, lobbies, corridors, internal office partitions and other areas where a degree of privacy is required and a light, open atmosphere is desirable. Applying Opalux® decorative films gives you the option to remove, replace or update designs in the future, if required. As well as adding a distinctive designer style to your office interior, this product allows some modesty for reception areas and meeting rooms, where total screening is not required. The Opalux Travis is a decorative patterned film for aesthetic and functional enhancement of the glass.
